Product Spotlight: Data Center Services

Regardless of a business' data storage, replication or back-up needs, **Everstream's Data Center, Colocation and Cloud-Based services have a solution.**

As a custom-designer and network operator, we are well-positioned to serve multiple roles: as a WAN provider bringing your data into your network; as a primary or secondary/redundant data center, colocation or cloud provider; or as your internet service provider, delivering scalable connectivity for your data.

Watch our video testimonial with **Involta Founder and CEO Bruce Lehrman** for a first-hand look at the role we play with one of our largest data center partners:

Q3 On-Net Spiff

Our 2018 On-Net Spiff will continue through Q3!

Two opportunities to earn upfront commission:

- Sign a **NEW** customer logo to a **3-year contract** in a current Everstream On-Net Building, receive the **value of their MRC upfront!**
- Sign a customer to a **5-year contract** in a current Everstream On-Net Building, you get **2.5X the value of their MRC upfront!**

Agents will retain standard agreed-upon commission structure in addition to qualifying spiff upfront bonus.

Other restrictions apply, [click here for the most current spiff details.](#)
