Everstream's Differentiators

Business fiber networks are not created equal. Options can be overwhelming for businesses looking to upgrade their network. How do you sort through the noise?

[Click here to download our new differentiators piece](#) where we dive into what puts Everstream at a level above the rest, including:

Infrastructure

Customized, built-to-suit network solutions from in-house experts who will design, build, certify and maintain your fiber network

Bursting

Everstream's no-charge bandwidth bursting is a standard, value-added service delivering the flexibility of on-demand bandwidth

Connectivity

Comprehensive data center connectivity at 100 Gbps, capable of accommodating converged internet, voice and data services

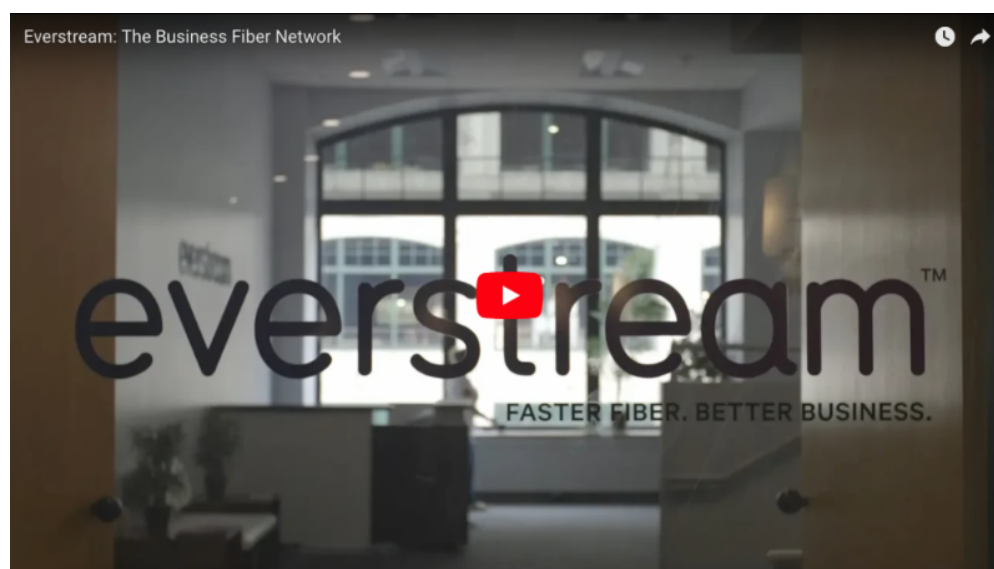

Redundancy

Everstream's network offers backbone redundancy resulting in self-healing fiber rings that ensure service remains operational at all times

Video: The Business Fiber Network

We recently updated our intro video, complete with an overview of our network and the inner workings of Everstream from our executive team.

Q3 On-Net Spiff

A reminder that our 2018 On-Net Spiff will continue through Q3!

Two opportunities to earn upfront commission:

- Sign a NEW customer logo to a **3-year contract** in a current Everstream On-Net Building, receive the **value of their MRC upfront!**
- Sign a customer to a **5-year contract** in a current Everstream On-Net Building, you get **2.5X the value of their MRC upfront!**

Agents will retain standard agreed-upon commission structure in addition to qualifying spiff upfront bonus.

Other restrictions apply, [click here for the most current spiff details.](#)

Don't forget about our online [Partner & Agent Portal!](#) Here you can easily find pertinent information and resources. You can also request an Everstream Partner Kit which includes printed versions of our sales literature and more. We are continuously updating the portal so check back often!

You can access the portal at any time at everstream.net/partner-portal.
